Re: Water Supply Request for Investigation ID #314341  
Notice Sent to Operator  
Cumberland Township, Greene County

Dear [REDACTED]

This letter is regarding your water supply [REDACTED]. The Department's investigation prompted by the information that Energy Corporation of America (ECA) provided to the Department on August 12, 2015 indicates that oil and gas activities are the cause of the pollution of your water supply.

Please find enclosed the Department's Notice of Violation to ECA ("Notice"). As you can see, the Notice requests that certain actions take place within defined timeframes. The Department will continue to pursue this matter.

If you have any questions about any of the above, please contact Kevin Maskol at 412-442-4163 or by electronic mail at [kmaskol@pa.gov](mailto:kmaskol@pa.gov).

Sincerely,
